DELIVERY & PICK UP SERVICES

Delivery rates are based on drop off to an accessible area to our truck i.e.: driveway, garage or yard. Should you require delivery beyond our truck tailgate (approx. 20 ft.) or set up and take down of items, please request a quote prior to your event. Structural items such as tents, dance floors, staging and some lighting will be set up by the delivery crew. Please inform the office if there are any stairs, slopes or obstacles that may prolong delivery and incur additional charges. Black & White reserves the right to decline delivery due to danger to the crew or equipment.

Delivery times are set on the week of delivery. You will be given an idea of a morning or afternoon delivery time. Our trucks start early and will deliver until their schedule is complete, we are sorry that we cannot guarantee delivery times. Please call the office to check in on their timing.

For pick up, all items must be broken down (tables, chairs, etc.) and stacked together in the same place that they were delivered. All items to be placed in bins and containers provided. If a pick up time has been arranged and our crew arrives on or after the specified time and your equipment is not stacked and ready

for pick up, any delay, take down or organizing of items will be billed out at \$75 per hour or we will have to return at another time at an additional cost.

PREPARING ITEMS FOR RETURN

Linen must be dry to help prevent mildew, free of any wax, food, or garbage and placed in containers provided. Do not place linen in plastic bags as it encourages growth of mildew. Replacement cost will be charged for all damaged linen, costs range from \$20-\$60 per piece.

You will be notified as soon as possible after your event if there is anything to pick up. We will store the items for 30 days and if they are not picked up, they will be discarded or donated to a local charity.

If you return damaged items to us or are missing items, you will be informed as soon as possible. If the missing items cannot be found or we are unable to contact you, replacement fees will be charged to the credit card we have on file. TENTS/CANOPIES

We suggest close attention to rented tents to avoid extra charges. Before tents are installed please mark any underground services such as irrigation lines, gas lines, septic tanks, etc. Renter agrees to assume liability/costs to any damage to underground services. All tents will be staked into the ground to secure unless above ground weights are rented at an additional cost.

If tents are installed in a publicly accessible area, we suggest having security to avoid damage to tent or rental equipment. Do not use crepe paper, streamers, mini lights, staples, tape on vinyl or tent poles. Keep light bulbs and heaters at a safe distance from vinyl. Do not cook under tent, place cooking source at downward side of the tent. Avoid bon fires and tiki torches near tent vinyl.
